

One-Year No Hassle Replacement Equipment and Labor Warranty

We are pleased to offer our subscribers a “One-Year No Hassle Replacement” warranty on all WildBlue equipment and labor for an additional monthly fee of \$4.99. In case of equipment failure due to manufacturer defect this warranty will cover the following expenses:

- Mileage to and from the location of installation
- Labor associated with the removal and reinstallation of replacement equipment
- All equipment parts including the TRIA, dish, modem, coax cable and surge protector
- All accessory parts including fittings, connectors, grounding rods and pole mounts

This warranty does **NOT** cover the following expenses:

- Replacement of equipment due to accidental damage caused by the subscriber or by an act of God (i.e. Wind causing a branch to fall upon the equipment or a lightening strike.)
- Relocation of equipment
